

REPORTS

The quarterly meeting of Huron & Erie Zone 6, the Ontario Federation of Anglers and Hunters Inc., was held in the assc. club rooms on Jan. 13 with approximately 70 present.

This was a well conducted and very interesting meeting with much "meat" in the discussions and a list of very well discussed resolutions, also the appointment of committees for 1957.

The chilli con-carn lunch served by our committee was well enjoyed by delegates and members. We wish to add our thanks to the thanks of all the delegates for a job well done by our committee. Thanks men and a vote of thanks to Mrs. J. Livermore for her help with the cooking. The get-together on Saturday evening Jan. 12 was attended and enjoyed by 32 delegates and members of our assc. Many thanks to Jim Lyttle of O'Keefes Brewery for a nice evening and thanks to Doug. Woodley for the showing of the Film "Seal Island".

Our association's efforts on the lunch and get-together netted the Zone 6 Treasury \$38.00 (Thirty-eight dollars) for which the delegates voted us a very warm vote of thanks.

The Jan. 10 meeting of our assc. was very well attended considering the zero weather. But with out new heating system everyone was good and warm.

Mas. Inovye, 128 Wortley Rd. was elected Sportsman of the Month.

Bert Woodley was presented with his Life Membership Card by our Past President, J. Livermore, who thanked Bert for his long and faithful service to the assc.

Our conservation committee deserves a hearty vote of thanks for during the zero and below eather, they have been out to feed the birds every other day. And reported that they will be able to carry the pheasents and Quail through the rough weather.

The house committee have painted the entrance, kitchen, and cloak room, installed a new coat rack in the cloak room, tiled the floor in the kitchen. Many THANKS men. The members should be proud of their club house.
