PRESIDENT'S MESSAGE**

A new year has begun!!

First off, let me thank all of you who showed up for our annual elections. Although there was little change in our Executive, the continued support was greatly appreciated. I would like to thank one of our Past Presidents, John Manvell, for officiating the Election process and to a new member, Tina Squire, for being our scribe.

Lawrence Lainchbury, Howard Pearcey and Don Turner have agreed to review the club's financial records for 2008 – 2009 and report back to the Executive and members.

On the previous page is listed the Executive body for 2009 – 2010. The various committees have yet to have their first meetings and the committees finalized so the list from 2008 – 2009 is provided for the members. If you wish to be on a committee, please contact the current chairperson listed.

Over the last 10 or so years that I have been personally involved in the running of our Club, things have been good. We have made great strides in building our Club coffers, keeping the Hall and grounds presentable, and promoting our Club so well that we have a waiting list of over 80 persons.

All this is good, but is it enough. Our Club is supposed to be a "fishing club with a strong connection to conservation"; unfortunately the only conservation efforts made are at our Club".

I'm sure that many of you have heard of the Ontario Federation of Anglers and Hunters organization. The O.F.A.H is a club that represents all of our interests in hunting, fishing and conservation efforts. They do this through strong political ties, by lobbying law-makers before these elected officials make decisions and in the courts, where some laws, once passed, may need to be challenged. Did you know that our association is affiliated with the O.F.A.H? At one time every member in our Club was also a member of the O.F.A.H. This partnership was slowly dissolved over the years and now stands at a mere 15 to 20 members belonging to both clubs. After attending the Annual Conference for the O.F.A.H, March 19 - 21, my eyes were opened to all the great things this association does for every hunter, angler and conservationist out there.

In light of this your Executive would like to see 100% affiliation with OFAH once again. Since this initiative may increase the cost of your membership, I am planning a presentation about the Federation and all it stands for at our next general meeting. Please try to attend as your input and opinion matter.

Yours in conservation,  
*Stan Gibbs*

~~~~~  
WOFGPA Executive and members would like to extend a hearty welcome to the new members. Hopefully, we will meet each of you at one of the many functions.

**WOFGPA SPRING CLEAN UP**

Saturday, April 18<sup>th</sup> is the date of our Spring Clean up. Thanks to John Toman for the countless hours he spent raking the front lawn. This is one project that is no longer on our "To Do" list and it looks great. If you are able to assist for a few hours, please come out. Please bring any small hand and power tools with you if possible. Lunch and refreshments will be provided. Contact Steve Couture at 519-668-6257 (evenings) to confirm that you are available

### THAMES RIVER CLEANUP 10<sup>TH</sup> ANNIVERSARY

On Saturday, April 18<sup>th</sup>, the Friends of the Thames invite you to participate in cleaning up the Thames River. Last year almost 1800 environmentally concerned volunteers, landowners, clubs, organizations and municipalities got involved to clean up almost 200 km of the river and its tributaries. The organizer of this event is NOAH Conservation Club. All registered participants in the Thames River Cleanup will be eligible to win a brand new canoe donated by Nova Craft Canoe. All high school students can get their volunteer time this way.

The Executive has decided to spend their efforts cleaning up our club property. They encourage all members to attend either of the two clean up ventures: WOFGPA or Thames River.

### GET OUT AND GET INVOLVED.

The WOFGPA newsletter is a great place to advertise as the newsletter reaches over 225 families each month. The price is very reasonable. If interested in placing or you would like more information, call Teresa at 519-668-6257 (evenings) or by email at [tcouture@gapenviromic.com](mailto:tcouture@gapenviromic.com)

Please visit our website and let us know what you think about it and how we can improve it. All feedback from the membership is welcomed. Our website is [www.wofgpa.org](http://www.wofgpa.org). Our website contains our club history, updated information about functions; links to other groups, a photo library and of course our newsletter.

Poaching is a serious problem. Anyone not visibly wearing a valid membership card should NOT be fishing on WOF&GPA property. If you see anyone fishing with no visible card, ask to see proof of valid membership.

If you do not have a valid card, you should expect to be told by any other member to stop fishing and that you must leave the premises immediately.

Non-members caught fishing on club property are subject to prosecution for trespassing and poaching.

### UPCOMING EVENTS AT WOFGPA

Please remember to mark your calendars so that you don't miss an event. With each event, a contact will be named if you wish to volunteer a bit of time to better your club. As the date of each event gets closer, the details will be printed in the newsletter and posted on the Bulletin Boards at the club and on the website.

The committees for 2009 – 2010 are still being formed, so if you would like to be on any of the committees, please contact the current chairperson listed previously in this newsletter.

Watch your newsletter, check the club Bulletin board or visit the club website at [www.wofgpa.org](http://www.wofgpa.org) for details.

The event calendar for the 2009 – 2010 year hasn't been finalized. Once approved, the upcoming events will be listed.
