## President's Message

It has been a very hot summer this year and I hope that everyone is enjoying it, despite the extreme heat and humidity at times.

Although the club does not hold General meetings or many functions during the summer months, there is still plenty to do. We have already begun to plan for the different functions for the fall and winter months. The Executive and Entertainment committees feel that these functions are numerous and are often attended by many members and their families and friends. Each function is planned to give the members a variety of events to attend or to participate in as well as allowing them ample time to enjoy the pond and the grounds.

It has shocked me many times to see that it is the same small group of individuals that assist with most of the functions. This trend cannot continue any more.

At the meetings, there have been discussions as to how to create a variety of events so that all members will find something to interest them.

**"Exclusive clubs" have membership fees that are considerably higher than WOFGPA and many also charge for fish taken from their waters and have higher entrance fees for their events.**

WOFGPA has always taken pride in the fact that we can have such low membership fees and still offer a variety of things to do when not fishing. This has been due to the tireless efforts of the volunteers throughout the years. **This is your club!** Why not make the most of your membership by getting involved. It is great way to meet other members who share similar interests and the rewards are endless. Call any of the Executive or Committee members to give us some fresh ideas and that you plan to be more active member. Your club is a jewel in the heart of the city so why not make it shine.

As you continue to enjoy the last half of the summer, please remember to use sun block and insect repellent, stay hydrated, wear your life jacket while on the water and always make sure that there is a worm on your hook. Happy angling.

Yours in Conservation

Stan Gibbs

**There is no smoking in the club at any time.**

## BOAT SAFETY COURSE

Phil Gingrich is offering the **last** boat safety course at the club on September 18, 2006.

He provides all instruction, course materials and the test. Upon passing, he will issue your Safe Boating card. It will soon be the law that all boaters, jet skiers and watercraft operators must have taken this course and provide proof by showing their card when requested. Phil anticipates a high demand for this course as the deadline quickly approaches. Our club President, Stan Gibbs, could not stress more how important it is for everyone (both water craft operators and passengers) to know boat safety and how it relates to you.

**The cost is \$ 40 for members  
\$ 45 for non-members.**

**This is the last time that Phil will be offering this course.** He has indicated that the method to obtain this card is going to change, probably in October of 2006. Anyone wishing to obtain their Safe Boating Card after that time will have to take additional hours of instruction offered in a few sessions, which **Will NOT BE OFFERED AT WOFGPA.**

Don't miss this last opportunity to obtain your Safe Boating Card or delay in contacting Phil, who can be reached at 519-668-1130 or email Phil at [phil.gingrich@sympatico.ca](mailto:phil.gingrich@sympatico.ca)

Draw prizes available at each General Meeting. If you attend a general meeting and complete a ballot, your name is entered to win a one-year membership. **Only one ballot per membership per month is allowed.**

One of our members, Brian Logie has been working very hard for quite a few months on research involving the history of Westminster and Delaware Townships. Numerous hours have been spent in libraries and talking to many people who have old records and photos about these townships. The hard work of many people is finally ending, as they get ready to publish a two-volume set. If you are interested in getting more information about this set or would like to reserve a copy for yourself, please contact Brian Logie by email at [brianlogiehockey@rogers.com](mailto:brianlogiehockey@rogers.com)

### Dearness Residents Visit

In the afternoon on Sunday, September 10, 2006, we are hoping that a few of the Residents of the Dearness Home will be able to come to the club and enjoy an afternoon of fishing. Plans have yet to be confirmed with the Dearness Home staff, but assistance will be needed to provide refreshments and assist the guests with fishing. We will also need solid chairs (patio style, not collapsible) and donated rods, and lures for the afternoon. If we can count on your assistance, please contact Stan Gibbs at 519-668-2609 or Teresa Couture at 519-668-6257. It is quite an enjoyable afternoon as the residents usually share their fond memories, many of which are about the club from years past. Please note that the visitation is still in the planning stages and has yet to be confirmed.
