Young Hunter Education Scholarship Program (YHES)

Ensuring that future generations enjoy the cultural heritage of hunting."

The goal of the Y.H.E.S. fund is to remove cost barriers for those youth who are interested in learning about hunting. The Y.H.E.S. fund will provide access to funding for individuals who meet the specified criteria to ensure they have the opportunity to enjoy the rich heritage of hunting.

Does this sound like something your club would be willing to invest in?

To make a donation to this fund, please contact www.ohep.net or call 705-748-5185.

If you know a youth who could benefit from this program, application forms and instructions can be found at www.ohep.net

Lowville Park on Bronte Creek

On Thursday May 6th OFAH Zone J Secretary Kathy Moore and 2nd Vice Brian Moore attended the release of Atlantic Salmon into Bronte Creek. Four Grade 5 classrooms in Hamilton hatched and raised these Salmon in their Classroom Hatcheries. Over 250 students came out to release each of the fish individually into Bronte Creek. A fun, educational day was had by everyone in attendance, even the media photographers who donned waders and got right into the action. The students learned about creek habitat, bugs and even built blue bird boxes, bird feeders and wood duck nesting boxes.

WE ARE LOOKING FOR CLUBS TO HOST OUR MEMBERSHIP MEETINGS...

Dates are listed in the "Mark your 2010 Calendar"

If you are interested in holding a meeting of 25 – 30 OFAH members, please call Secretary Kathy Moore.

This is an excellent opportunity to showcase your Club and it's accomplishments

Congratulations to the winner of the 2009 OFAH Zone J Outstanding Achievement Award – Mr. Arnold Collard of the Gosfield North Sportsman Association.

Mr. Collard was presented with his award at the 20th Annual Gosfield North Sportsman Associations (GNSA) Wild Game Dinner in front of his many friends and family members. It was unfortunate that the OFAH Zone J Executive could not attend the Wild Game dinner as we were holding the OFAH Zone J Annual General meeting and Elections in Caledonia. To assist with the presentation of this prestigious award the OFAH Zone J Executive digitally recorded our presentation and sent it to GNSA along with the Award. On the evening of the Wild Game dinner, the DVD of the Zone Executive was broadcast at the dinner and a live presentation by the GNSA Executive was carried out. Mr. Collard was genuinely surprised and awestruck at receiving recognition for his tremendous amount of hard work, passion and dedication to pheasants.

Please remember to submit your nominations for the 2010 OFAH Zone J Outstanding Achievement Award. We know there are many deserving volunteers who quietly devote their time, energy and money to conservation, hunting and angling within our Zone. Please help us recognize them by submitting a story about their dedication and passion.
