**PRESIDENT'S MESSAGE**

How Time Flies

THURSDAY, MARCH 12, 2009  
7:30 PM

Another year has come and gone! It seems like only yesterday that we were planning celebrations for the coming New Year, 2008.

Over the past year our Club and its members have participated in many of the same events that have been a main stay for many years.

As active Members we have enjoyed functions such as fishing derbies, group breakfasts, group dinners, card nights, General Meeting socials, Club Promotions, work parties, fund raising, especially selling Christmas Trees, and most precious of all, the quiet times on the pond or grounds.

We have also seen some changes in our operations that some of our members did not totally agree with. As in most businesses or group organizations, the elected persons sometimes have to make decisions for the betterment of all concerned. I would like to thank all of you for your co-operation and patience in the way our membership renewals are now done. Since the inception of this change, we have experienced better turn out at our meetings, which resulted in more informed members, and therefore more participation in club activities.

I am excited at the prospects for the New Year. Some of the interesting things to watch for will be the scientific study the Dr. Woodward and the U. W. O. are going to be doing on our kettle lake. Some members are thinking of a road trip to Bass Masters in Toronto, or possible a group fishing trip (chartered, of course.) Our hall will hopefully see some changes and updates such as a new bar and cosmetic changes to the hall itself. The grounds should see a new walkway to the ponds most southerly dock from the parking lot, and let us not forget the tree carving that is already in its first stages.

I look forward to seeing, and working with you this year around our little piece of heaven.

Yours in conservation,

*Stan Gibbs*

~~~~~  
WOFGPA Executive and members would like to extend a hearty welcome to the new members. Hopefully, we will meet each of you at one of the many functions.

**Christmas Tree Volunteers**  
**- Take a bow!**

Our biggest fundraiser of the year wound down Wednesday, December 18<sup>th</sup> when 8 volunteers completed dismantling our tree sales set up.

From start to finish 85 volunteers contributed over 800 man-hours to our project this year.

In just 4 weeks, 900 super nice trees were unloaded, unwrapped, trimmed and sold with over 350 bagged for the convenience of our customers. This has been our most successful year ever, in every respect. Take a bow. Give yourself a pat on the back and accept this as my sincere thanks to all of you for your cooperation and dedication. You make me proud.

On behalf of the executive and all Club Members, Marian and I wish you a healthy, happy and successful 2009.

THREE CHEERS FOR OUR VOLUNTEERS!

**5th ANNUAL TACKLE SWAP**

**Attention Fishing/Hunting & Conservation Clubs & related organizations & groups**

**DATE:** Sat. Feb. 21, 2009

**TIME:** Doors open at 9:00 am until 1:00 pm

**LOCATION:** 790 Southdale Road East  
London, Ontario  
(Located on the north side of Southdale Road between Wellington Rd and Adelaide St South)

**COST:** No entrance fee

It is once again time to shake off those winter blues and enjoy a few hours indoors of interesting information on fishing, hunting, and conservation efforts. You may also want to sell some of that old equipment you have lying around. The Western Ontario Fish & Game Protective Assoc. Inc. is once again hosting the Annual Tackle Swap at our clubhouse at 790 Southdale Rd. East in London. We are looking for clubs to join in this venture. Previous years have been a great success with many different clubs promoting their club's activities and selling different fishing/hunting related wares to the visitors.

There is no registration fee for a table. Tables will be assigned to clubs as they register. To help attract the public, we as the Host club are asking all participating clubs to bring a prize to be given away as door prizes. The Host club will have food and beverages for sale to help offset costs and we will be selling O.F.A.H Lottery tickets to generate funds.

**Preregistration is mandatory for a table**

**All registrants must make set up arrangements of their table by contacting Stan Gibbs**

**Stan Gibbs, President of W.O.F.& G.P.A**

~~~~~  
Kudos to Herman Szielasko who came up with the idea to make swags to sell at the club. He took small branches from the Christmas tree trimming, bound them together with twine and attached a beautiful bow. These swags now adorn a few doorways in the city. Hopefully next year we will make both swags and wreaths. Thanks Herman.

**IMPORTANT NOTICE**

Ice derbies will be held throughout the winter months, on short notice.

Unfortunately, such short notice does not always allow for the members to be notified by newsletter.

If you want to know about upcoming derbies, please leave your name and number with Stan Gibbs or check the Bulletin Boards regularly.

Our wishes for better health go to Brian Ernteman, Larry Holtzman, Ed Brown and Jack Mook. It would mean a lot to these men and their families is you take a few moments to call and just say hello and those they are missed at the club.

## DANGER – THIN ICE

We know that it is hard to imagine ice fishing with all the new gear you just got for Christmas. We ask that you please wait a bit longer to ensure that the pond is completely frozen and that the conditions are safe to ice fish. Just a friendly reminder that:

- A minimum of four inches (10 cm.) of clear ice is necessary to support the weight of a person
- The ice conditions will be posted and monitored regularly at the club
- Stay off any unsafe ice
- Always use the “Buddy” system
- Obey the signs and exercise caution at all times on pond ice.
- Mark your fishing holes – for safety
- When in doubt, stay off the ice

Ice fishing derbies will be held once the ice conditions are safe. Check the bulletin board at the club regularly for updates. If you would like to be notified of derbies by phone, leave your name and number with Stan Gibbs, the pond committee chair.

As the date of each event gets closer, the details will be printed in the newsletter and posted on the Bulletin Boards at the club and on the website.
