## **PRESIDENT'S MESSAGE**

Welcome 2015!

As the year 2014 fades into the past, it is a good time to reflect on all that has happened in and around our club.

Working together we have achieved some good progress on our hall and the property around it. A new porch was built as a starting point for our front entrance overhaul, a new carving completed on the front lawn, and a new boat rack was completed to accommodate the members waiting for a spot. In addition, improvements have been done to the club's electrical, security and A/V projector systems. As members we pooled our resources together to take care of all the jobs that were left vacant from having no live in caretakers. We can be very proud of ourselves for doing such a great job.

On a sadder note we lost some very important long standing members who had helped to shape this successful club into what it is today.

On a brighter note we added some very interesting new members who will help us take our club into the future.

Early in the new year we hope to have new caretakers once again handling the day to day operations of our hall and grounds.

So, as the saying goes "Out with the old and in with the new", let us embrace 2015 with all its promise of good health and prosperity as we continue to actively participate in the best and oldest conservation club in Canada.

Yours in Conservation,  
Stan Gibbs

### **CHRISTMAS TREE AND WREATH SALES 2015**

Our super group of volunteers wound up 2014 with another great year for Christmas tree and wreath sales, starting with 8 volunteers setting up the tree lot and trailer on November 15th, followed by a record 68 volunteers who unloaded the transport and prepared the trees. Our sale started this year on November 22nd.

Three weeks and three days later the last of our trees left the lot. In fact, by our best calculations at this time, we actually sold 1008 trees, 139 wreaths and 15 swags. All these figures are our best results ever.

The tree and wreath project involved approximately 115 volunteers who spent over 1600 hours to make the wreaths and smoothly operate the sales lot. Wreath production is very labour intensive. Congratulations to Hermann and his entire Wreath Group for an super job done.

Again this year we have shown what a great organization we have when better than half of our membership volunteer their time in this annual project. Thirty of our volunteers put in over 20 hours to this project and several actually contribute over 40 hours. Without these volunteers you can be sure our tree sales fund raiser would no doubt challenge us to keep our membership fees so low.

Special thanks to Brian Ernteman for his mustering the loyal troops again this year while I was away and all others that make the job so easy in so many ways.

For the most part, volunteers hours involve the time of two people and I want to take this opportunity to thank all the partners and spouses who maintain the home front and are so nice on the phone when I call.

Wishing everyone a very good and prosperous year ahead.

Don Colborne

### **BUCKET LIST – FISHING TRIP**

Glen LeGrand, the owner of Camp Bonaventure in Paspeblac, Quebec, located in the Gaspé Peninsula, generously donated to the club an all-inclusive Atlantic Salmon fly-fishing trip for 2 to Camp Bonaventure.

This “Bucket List” fishing package includes lodging, meals, fishing and professional guides.

The successful bidder for this Silent Auction item is club member, Bert Smit, who with his guest will be enjoying this trip of a lifetime. Congratulations and happy angling, Bert!

### **CHRISTMAS BAZAAR AND BAKE SALE**

The Youth Committee would like to thank everyone who contributed to our first and Christmas Bazaar and Bake Sale.

We look forward to seeing you next year at the second Annual Christmas Bazaar and Bake Sale.

We also wish to thank the talented, Patti Szielasko for playing music on her harp in the main hall during this event.

### **FAMILY DAY ICE FISHING DERBY**

*Mon. Feb. 16, 2015*

The Executive is pleased to announce that one of our enterprising members, Pat Devincenzo, who also owns Angling Sports in London, will host an ice fishing derby for the whole family to enjoy.

This derby will take place on our pond on Family Day, which is Monday, February 16th, 2015 from 9am till 1pm. There will be prizes for big fish in specific different species, and a good hot lunch to fill you up.

The cost for this event is \$10.00 per angler. Due to limited parking and hall capacity, this event will be held to the first 100 people who have pre-registered and paid at Angling Sports, located on Highbury Ave. just south of Dundas St.

As commonly practiced for all our derbies, no fishing is allowed prior to derby time and only the registered participants can fish the pond during the derby.

### **RULE CLARIFICATION**

Recently, I was asked to clarify when the ice fishing season starts, which would then allow a member to use 2 angling rods.

This issue was discussed at the December Executive meeting. At that time, I advised the members present that the staff at Aylmer’s MNR office explained “safe and legal” ice fishing depends on the weather conditions of the day. To start, anyone walking on ice should be aware that at least 4 inches of clear ice is needed to safely support one person. Then, once safely on the frozen pond, you must cut, chop or drill a hole in the ice to “ice fish” with two rods. The MNR office also explained that any open water accessible to an angler means that only one rod is allowed.

I hope this clarifies the rules, as interpreted by MNR, when ice fishing on the property.

### **10th ANNUAL TACKLE SWAP**

DATE: Sat. Feb. 21, 2015  
TIME: Doors open at 9:00 am until 1:00 pm  
LOCATION: WOFGPA Club hall  
COST: No entrance fee

The annual Tackle Swap allows us to shake off those winter blues and enjoy a few hours indoor exploring interesting information on fishing, hunting, and conservation efforts. You may also want to sell some of that old equipment you have lying around. Previous years have been a great success with many different clubs promoting their club’s activities and selling different fishing/hunting related wares to the visitors.

Preregistration for a reserved table is mandatory. There is a nominal registration fee for a table and reservations can be made by contacting Stan Gibbs. Tables will be assigned. To help attract the public as the host club, we are asking all participants donate a prize to be used as one of our door prizes.

Stan is asking members for donations of their unwanted items for the WOFGPA table. If you have anything to donate, please contact Stan as soon as possible.

**GUNS AND AMMUNITION WILL NOT BE AVAILABLE**

## *YOUTH INVOLVEMENT*

Since the youth members formed a committee, they have become quite involved with club functions, both old and new.

The Youth Committee members have been involved in all derbies, two pond walkabouts and they raffled a gift basket at the Ladies Only derby. At the Easter Breakfast, they raffled a jelly bean/ candy jar.

In June, they were instrumental in helping and measuring at the Youth Activity Day and they also hosted a movie night with "Finding Nemo" on the new A/V system.

They raffled a bowling party at the Summer Bass derby.

In October, they learned how to host a Euchre night. A second movie night showing "Hotel Transylvania" was well attended.

In December, the Youth Committee helped at the Breakfast with Santa and then held the first annual Christmas Bazaar and Bake Sale.

It is so refreshing to see the club's future leaders hone their skills as they become more involved with club activities and also generate many new ideas for functions for our members to enjoy. Kudos to the Youth Committee and their adult mentors for all they are accomplishing. Give yourselves a pat on the back.

On another note, since 40 hours of community service is now a key requirement for high school graduation, WOFGPA extends an invitation only to the children or grand-children of club members, who trying to obtain this requirement. Please speak to the contact person of each function if you know of an interested teenager.

## *EUCHRE*

There is a light snack served and door prizes are drawn at the end of the evening. A donation of a door prize or dessert is always welcome.

## *DANGER – THIN ICE*

December weather means a drop in the daily temperature and we know that ice has started to form on the pond. Currently, the ice will not support any weight and there is still plenty of open water, so please stay on the docks to fish.

Here are just a few reminders about pond ice safety:

A windmill, located on the west side of the pond by the middle dock has been installed to aerate the water. There are buoys marking the location of the aeration stones. These two areas may stay as open water or may have a thin ice covering. Please keep well away from these areas, as they will never be deemed safe to support any person's weight, including your pet's weight.

Do not let your pet run loose on the property, including the ice. It is the club policy that all dogs be leashed at all times and under the direct control of their owners.

A minimum of four inches (10 cm.) of CLEAR ICE is necessary to support the weight of one person. If you are fishing with a partner or a group, additional ice thickness is required.

The ice conditions will be posted and monitored regularly. Please stay off any unsafe ice and remember that ice conditions vary from day to day. Obey the thin ice signs and exercise caution at all times on pond ice. When in doubt, stay off the ice.

Always use the "Buddy" system and never venture out alone.

Mark your fishing holes with a flag or small branch – for safety and consideration of others.

Ice derbies will be held throughout the winter months and often on very short notice. Unfortunately, this short notice often does not allow for the members to be notified by newsletter. If you want telephone notification of scheduled derbies, please leave your name and number with Stan Gibbs at 519-668-2609. The ice derby dates will be posted on the website and the Bulletin Boards at the club.

**ANNUAL FREE MEMBERSHIP DRAW  
& MONTHLY MEETING DRAW**

Remember that at each General Meeting you attend, you will get one ballot per membership for the free one-year membership draw.

The draw is held annually on Election night as one of the first duties of the new President.

The December monthly meeting draw was won by Phil Gingrich. Congratulations Phil!

**PHOTOS NEEDED**

It has come to the attention of the Executive that the club website could greatly benefit from photos taken at the many functions that are held.

If you have taken photos and would like to share them on the club website, please contact the website administrator, Lawrence Lainchbury. Please provide a caption or details of the photo to Lawrence.

The club website is [www.wofgpa.org](http://www.wofgpa.org)

**ONTARIO HUNTER EDUCATION

The Executive would like to wish all club members and their families a very Merry Christmas, a Happy New Year and all the best in 2015.

**UPCOMING EVENTS AT WOFGPA**

Giving some time to help is a great way for both new and old members to get together while they aren't fishing.

Please offer your fresh ideas to any Executive or Entertainment Committee members or leave it in the Suggestion Box.
