Our Purpose

- To promote true sportsmanship by the protection, breeding, propagation and conservation of fish and game.
- To obey the Fish and Game Laws of Ontario.
- To promote reforestation and conservation.
- To maintain a club and pond for the accommodation and enjoyment of the members and friends.

Meetings

General meetings are held on the second Thursday of each month at 7:30pm, except for the months of July and August. The Executive meetings are held on the fourth Thursday of each month. Remember that you, as a member, are welcome to attend all club meetings. Your input is highly valued and appreciated.

Treasurer's Report

The Treasurer's Report is presented at the Executive meeting and questions and comments are always welcome. If you wish to receive a copy of the full report, please attend this meeting.

MEMBERSHIP PAYMENT & CHANGE OF CONTACT INFORMATION

You must attend the club at 7:00 pm on the night of either a General or Executive Meeting (2nd or 4th Thursday of the month) to pay your membership dues and renew your badge sticker. Any payments that are mailed or left at the club will not be accepted and will be returned to you. If you are unable to attend the club to pay your dues on either of these dates, special arrangements for payment can be made only by contacting the Membership Chair, Val Grahl.

It is very important that you send any and all changes in mailing address, email and / or phone number to Val Grahl (membership committee). WOFGPA will not be responsible if your membership lapses due to incorrect contact information. If you choose to rejoin the club, your name will be added to the waiting list which is currently a 3 to 4 year wait. Currently, there are over 190 names on the waiting list and the club has only initiated 43 new members this year.

PRESIDENT'S MESSAGE

An Eye Opener

At one time or another we have all looked at a situation and wondered what all the fuss was about. My eyes were opened this year after assuming the role of Wreath Brigade organizer. The amount of work and time that goes into producing our wreaths, table top trees, crosses and centerpieces was incredible.

In years past I heard that the monetary rate of return was quite low compared to our tree sales, and would have been quick to cancel the wreath brigade and just sell the extra branches that came off our trimmed trees. However, I decided to give it the old college try and see what it was all about. I knew Herman had a passion for this kind of thing, and was totally surprised to find myself wrapped up in all the concerns to do with this project. I thoroughly enjoyed the whole operation, from collecting, drilling, gluing and applying sparkles to our natural decorations, collecting and guarding our precious branches, building wreaths, crosses and table tops, and promoting them all to our customers.

I would not have enjoyed it so much if I didn't have a great group of coworkers to help it all come together. Special thanks to Herman, and all the workers from past years in helping make this a very rewarding project. We out sold last year's numbers and I am looking forward to doing even better next year. Thanks again.

Yours in Conservation
Stan Gibbs

WELFARE

Many club members who aren't able to attend the club for meetings or fishing might welcome a quick call to say "Hello and what have you been up to?"

If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Teresa Couture who will gladly make contact on behalf of the club.

Our wishes for healthier days ahead in 2019 go out to Connie Dodd, Bert Smit and Fred Sanders as they recuperate.

One of our Past Presidents, Art Boyle (1959-60) passed away in early December.

Cigarette smoking is not permitted within 5 metres of all club entrances. Smokers are asked to use the containers provided for cigarette butt disposal. Cannabis use is not permitted anywhere on club property.

ELECTIONS THURSDAY, MARCH 14, 2019 7:30 PM

This notice is to advise all Western Ontario Fish & Game Protective Association members that the Annual Executive Elections for the 2019 - 2020 term will be held on Thursday, March 14, 2019 at 7:30 pm.

Note:

- All positions will be for a one-year period, covering March 14, 2019 through until the next election, which will be held on the second Thursday in March 2020.
- Nomination letters may be delivered to the club by Wednesday, March 13, 2019, in a sealed envelope addressed to -
 - Teresa Couture - Secretary – WOF&GPA
 - RE: Election Nomination
- All nominated members must be present on election night to accept their nomination OR provide a written acceptance delivered to Teresa Couture (Club Secretary) on or before election night.
- All membership fees must be up to date on election night. Please have your valid membership card with you. (The one-month grace period for membership renewal will not apply).
- One vote shall apply per membership, regardless of the membership type.

The Election each year is a very important part of this organization. Our members' input and participation into the election process is necessary to keep this organization viable and accountable to its members.

All members are encouraged to get involved and strive to make Western Ontario Fish & Game Protective Association in London, Ontario the very best that it can be.

HAT LOGO DESIGN CONTEST

The club will be in need of a new design for the club hats. Beginning on Jan. 1 and ending on the annual Elections on March 8, 2019, Andre Koch and Stan Gibbs will accept your artwork for the hats design

The final design for the hats will be decided by the new Executive board and revealed to club members at the Jiggs Dinner on April 7.

The winner will not only have bragging rights but will also receive a new hat and hoodie with the new design on both items.

To aid you as you create your artwork, we are supplying you with a few pointers. The hats are black or blue so do not use those colours. The less colours that you use in your artwork will keep the embroidery costs down. Keep it simple but unique.

Thank you in advance for your participation and good luck to all. I am anxious to see the cool designs that you come up with.

Andre Koch (1st Vice President)

CHRISTMAS TREE AND WREATH SALES SUMMARY

Another very successful year for our club.

It all started way back in September with ordering a transport load of trees and the bags to wrap them.

On Nov 17th, the tree lot setup, combined with our fall cleanup of the club grounds was attended by 27 volunteers.

Nov 21st the transport arrived on schedule and was emptied in just about one hour by over 60 volunteers. An additional bonus this year was a dozen students from Sir Wilfred Laurier Secondary School and their teacher came to assist with the unload, set up and unwrapping many trees. Great gesture by the students and well appreciated by club members.

Three weeks later the last of our trees left the lot on Saturday Dec 15th.

Over 1000 trees and about 140 wreaths were sold this year. One hundred fifty volunteers spent about 1600 hours for preparation, wreath construction and sales. Quite an accomplishment when you consider more than 50% of our club members see fit to help in one way or another for this important annual fund raiser. If you are one of them give yourself a well-deserved pat on the back.

The wreaths were exceptionally beautiful this year and sold like hot cakes. Just a reminder for everyone to keep the club in mind when out and about (yard sales etc.) as donations of ornaments, trinkets and ribbon are needed and always welcomed for next year. Many years ago, the surplus branches were discarded until Hermann Szielasko came up with the idea of making natural wreaths. This group now generates about \$ 1,500 in sales.

Special thanks once again to Brian Ernteman for the great help in the phone work and scheduling this year.

Thanks to all members of the Executive who keenly support this project and keep it running smooth, always available to jump in whenever and wherever needed.

Thanks also to all the partners of volunteers who provide their support/patience and are so nice on the phone when Brian or I call looking for help. It truly makes our job more pleasant. (Not forgetting to mention all the goodies that you send to the trailer and disappear so fast)

Trusting you all had a very merry Christmas and wishing you a Happy/Prosperous New Year ahead.

Don and Marian Colborne

GOOD OF THE ASSOCIATION

For each General Meeting that you attend, you will receive a ballot for the free one-year membership draw. The draw is done each March during the Elections.

BREAKFAST WITH SANTA

On Sat., Dec. 8, the club was busy with the Breakfast with Santa and the Bake Sale. Of course, the tree sales were in full steam. Thank you to all involved in making the breakfast such a success.

A very special thank you to Santa "Tim Locke", who thoroughly amazed the children. His gentle nature, jolly laugh and "real" beard convinced all the children that he was the real deal. Thank you to those who donated a colouring book and toy for each child when Santa's elf "Dianne Waite" gave them their goody bag.

Santa "Tim" as he arrives at the club

CHRISTMAS BAKE SALE

On Dec. 8, while people were enjoying their breakfast and waiting for Santa to arrive, they also had the chance to choose from the wide variety of baked goods at the Bake Sale which was put on by Jeanette Jurasek and some of the Youth Committee members. This is a great way for anyone to get a wide variety of Christmas goodies that are in smaller packages, rather than make them yourself.

This year was a record year for the sale of baked goods. Kudos to all and give yourself a pat on the back for your efforts.

ANNUAL TURKEY ROLL

On Dec. 13, following a shortened General Meeting, the Annual Turkey Roll was held at WOFGPA.

Hams:

Progressive euchre is a fun filled evening with good company, good cards and a lot of laughter. The games are open to both members and the public. You do not need to have a partner or a foursome to play. There is a light snack served during the break and door prizes at the end of the evening. A donation of a door prize or dessert is always welcome.

If you are interested in hosting a Euchre night on the fourth Saturday of the month, please speak with Teresa Couture for details. When you host an evening, one of the Executive will be always present should their help be needed.

DATE: Sat. Feb. 23, 2018
TIME: Doors open at 9:00 am until 1:00 pm
LOCATION: WOFGPA club hall and basement
COST: No entrance fee

The annual Tackle Swap allows us to shake off those winter blues. You may also want to sell some of that old equipment you have lying around. Previous years have been a great success with many different clubs promoting their club's activities and selling different fishing/hunting related wares to the visitors.

Preregistration for a reserved table is mandatory. There is a nominal registration fee for a table and reservations can be made by contacting Stan Gibbs. Tables will be assigned.

If you have anything to donate, please contact Stan as soon as possible.

GUNS AND AMMUNITION WILL NOT BE AVAILABLE

ICE CONDITIONS DANGER – THIN ICE

At the current time, the pond is just starting to ice over. Many days and nights of cold weather are needed for ice to form and to be safe to venture out on. There is a lot of room on the docks and anglers are still pulling out trout.

Please stay on the docks to fish until the ice has completely formed and is at least 10 cm. (about 4 inches) thick.

When the pond freezes, an ice rink will be made just off the main dock. All anglers are asked to stay at least 20 metres away from this ice rink.

A windmill has been installed to aerate the water. If ice forms, it will be thin. Please keep clear of the windmill platform as the area around it will never be deemed safe to support any weight, including your pet's weight.

Do not let your pet run loose on the property, including the ice. It is the club policy that all dogs must be on leash and under direct control of their owners or preferably, left at home.

A minimum of four inches (10 cm.) of CLEAR ICE is necessary to support the weight of one person. If you are fishing with a partner or a group, additional ice thickness is required.

The ice conditions are not posted but are monitored regularly. Please stay off any unsafe ice and remember that ice conditions vary from day to day. Exercise caution at all times on pond ice. When in doubt, stay off the ice.

Always use the "Buddy" system and never venture out alone.

Mark your fishing holes with a flag or small branch – for safety and consideration of others.

**SPRING FLING
DINNER, DANCE & SILENT AUCTION
Sat., March 16, 2019**

WOFGPA will host a Spring Fling to celebrate St. Patrick's Day in conjunction with Cathy Truelove and Dale Sewers.

The evening will begin with a dinner catered by Belmont Catering. After dinner, guests will enjoy dancing to the musical talents of Truelove Ways with special guest appearance by Fine Wine. When taking a moment away from the festivities and dancing the night away, a selection of Silent Auction items will be available for bidding.

This fundraiser was inspired by Cathy Truelove who wished to do something for the club in memory of her late husband Peter Tolsma.

A limited number of advance tickets are available now at only \$ 25 each. You may obtain your tickets by contacting Teresa Couture at 519-668-6257.

JIGG'S DINNER

This year, the attendees can expect a hearty dinner of corned beef and cabbage, roast beef, potato and veggies and roll with butter. There will also be assorted salads, relish and cheese trays. After dinner, there will be a selection of desserts to enjoy with your tea or coffee. Door prizes will also be available.

Teresa Couture, club secretary, will be at each meeting and function for you to obtain your tickets.

Tickets are available now for purchase and will sell out quickly. Advance purchase of tickets is required so that appropriate supplies can be purchased.

POACHING

Poaching is a serious problem.

Only club members wearing their valid membership cards, and their guests, are allowed to fish on the pond.

If you see anyone fishing with no visible membership card, ask to see proof of valid membership. Club members who do not display their valid membership card should expect to be told by the caretaker or any member to immediately stop fishing.

Non-members caught fishing on club property could be charged with trespassing and poaching.

**PLEASE PATRONIZE THE BUSINESSES
THAT ADVERTISE IN WOFGPA'S
NEWSLETTER.**

The hall is available to members or their families to get together after the passing of a loved one.

In certain circumstances, a special reduced rate may apply. Members receive a discount on rentals which occur on Friday or on a Saturday evening.
