PRESIDENT'S MESSAGE

Happy New Year

On behalf of the Executive Body and all the Committee Chairs I would like to wish you all the best in the coming year. If last year was any indication, this year should be even better.

Did you realize that our club is 150 years old! In 1875 a conservation minded group joined together and started a club that promoted all the same values that we support today. We have a committee in place that has come up with a lot of great ideas and events over the next 12 months, please pay attention to postings in our newsletter for information on these events.

Early in the new year, you will notice a new flag at our club commemorating our 150th year, in addition to the flag we also have a line of swag that celebrates this also. One piece of new swag is a lure made by Len Thompson, with our logo on it. The first event that is starting now and running till the end of the year will be a contest of the best photo taken with a fish caught on one of these lures and submitted to the club. I hope to post them on our web site and declare a winner next December with a prize to be determined. Good Luck

Stan Gibbs holding a Trout caught with a 150th anniversary lure.

Yours in Conservation
Stan Gibbs

If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Teresa Couture who will gladly make contact on behalf of the club.

Our wishes for speedy recovery are with Todd Stewart as he recuperates.

MEMBERSHIP RENEWALS AND CHANGE OF CONTACT INFORMATION

You must attend either the General or Executive meeting to pay your dues. These dates are the 2nd and 4th Thursday of each month at 7:00 pm, before the meeting starts at 7:30 pm.

The new membership rates (effective July 1, 2023) are:

Family	\$ 170.00
Single	\$ 150.00
Senior	\$ 145.00
Boat Rack	\$ 60.00

There seems to be confusion as to the grace period permitted to pay dues. If your renewal date on your renewal notice is January 1, 2025, then your membership period ran from January 1, 2024 through December 31, 2024. Your membership will lapse at the end of January 2025, which is the one-month grace period permitted. At the end of the grace period, your name will be removed from the membership list. If you choose to rejoin the club, your name will be added to the waiting list.

If you need special consideration regarding payment of dues, contact Val Grahl before your membership lapses. If you must pay dues, please attend prior to the General or Executive meeting each month, held on the 2nd and 4th Thursday of the month. WOFGPA will not be responsible if your membership lapses due to incorrect contact information on our files.

The club will accept cheques, debit, and credit card payments but not e-transfers. Mailed payments and late payments will not be accepted and will be returned to you. The caretakers, Ray and Barb will not accept membership renewals.

These items can be dropped off at the club or brought to any meeting or function.

Thank you in advance for your generosity.

19th ANNUAL TACKLE SWAP

DATE:	Sat. Feb. 15 th , 2025
TIME:	Doors open at 9:00 am until 1:00 pm
LOCATION:	WOFGPA club hall and basement
COST:	No entrance fee

The annual Tackle Swap allows us to shake off those winter blues. You may also want to sell some of that old equipment you have lying around. Previous years have been a great success with many different clubs promoting their club's activities and selling different fishing/hunting related wares to the visitors.

Preregistration for a reserved table is mandatory. There is a nominal registration fee of \$ 15.00 for a table and reservations can be made by contacting Stan Gibbs. Tables will be assigned.

GUNS AND AMMUNITION WILL NOT BE AVAILABLE

FAMILY DAY **Mon. Feb. 17th**

Hopefully, the club will be able to host an ice fishing derby for the whole family. Of course, this will be dependant on ice conditions. Details will follow in the February newsletter.

ICE FISHING

Please stay on the docks to fish until the ice has completely formed and is at least 10 cm. thick. Use caution when walking on the docks.

The ice conditions will be monitored regularly but not posted. Please stay off any unsafe ice and remember that ice conditions vary from day to day. When in doubt, stay off the ice. Always use the "Buddy" system and never venture out alone. It is a good idea to have safety measures in place, carry a whistle and have ice picks on your person.

A minimum of four inches (10 cm.) of CLEAR ICE is necessary to support the weight of one person. If you are fishing with a partner or a group, additional ice thickness is required.

A windmill has been installed to aerate the water with 2 buoys marking the location of the aeration stones which will always be open water or have a thin ice covering. Please keep well away from these areas, as they will never be deemed safe to support any weight, including your pet's weight. Do not let your pet run loose on the property, including the ice. It is the club policy that all dogs be leashed at all times and in control of their owners. It is best to leave your pet at home.

Do not break the ice away from the docks, use an auger or punch small holes. At no time should anyone use club brooms or shovels to break the ice for fishing. If the ice is continually broken away from the docks, this creates a hazard of thinner ice and makes it hazardous for anglers and skaters stepping off the docks.

Mark all holes with a small branch or flag.

If there is a skating rink located near the main dock, please keep your fishing holes at least 15 metres away.

If ice derbies are planned, it will be last minute notice and dependant on ice conditions. If you wish to be informed of these derbies, please contact Stan Gibbs.

HALL RENTALS

Did you know that the WOFGPA hall can be rented for your next "special" occasion for a very reasonable price?

The hall has a maximum seating capacity of 80 persons, which makes it just the right size for a small wedding reception, bridal and baby showers, your next meeting, anniversary party, family reunions and get-togethers, Christmas party and birthdays. Professional bar service is offered in the wet bar.

The club hall is not available for Stag and Doe parties, engagement parties or outdoor wedding photoshoots.

Please contact Barb Smith to discuss hall availability and rates. The hall is available to members or their families to get together after the passing of a loved one. In certain circumstances, a special reduced rate may apply. Members get discounted rates on Friday and Saturday evening rentals and not on hourly rate rentals.
