Since I have just returned from Ireland, I thought I would share **“Murphy’s Law”** with you.

I’m sure you have all heard **“Anything that Can Go Wrong, Will Go Wrong”**

Have you heard the others?

Anything good in life is either illegal, immoral or fattening.

The light at the end of the tunnel is the headlamp of an oncoming Train.

Celibacy is not hereditary.

Never Sleep with anyone crazier than Yourself.

Never play leapfrog with a Unicorn.

Beauty is only skin deep, Ugly goes to the bone.

Never Argue with a Fool, People might not know the difference.

A short cut is the longest distance between two points.

Friends come & go, but enemies accumulate

Everyone has a Scheme for getting rich that will not work

The other line always moves faster.

The chance of a piece of bread falling with the buttered side down is directly proportional to the cost of the carpet.

No matter how long or hard you shop for an item, after you’ve bought it, it will be on sale somewhere else.

In order to get a loan, first you must prove you don’t need it.

Anything you try to fix will take longer and cost more than you thought.

If everything seems to be going well, you don’t know what the hell is going on.

Murphy’s Golden Rule: Whoever has the Gold, Makes the Rules.

See you all next month.
