Our Conservation Pledge

I give my pledge as a Canadian to save and faithfully defend from waste the natural resources of my country, its soils & minerals, its waters, forests, air & wildlife, & to obey all Fish & Game laws.

Our Purpose

- To promote true sportsmanship by the protection, breeding, propagation and conservation of fish and game.
- To obey the Fish and Game Laws of Ontario.
- To promote reforestation and conservation.
- To maintain a club and pond for the accommodation and enjoyment of the members and friends.

Meetings

General meetings are held on the second Thursday of each month at 7:30pm, except for the months of July and August. The Executive meetings are held on the fourth Thursday of each month. Remember that you, as a member, are welcome to attend all club meetings. Your input is highly valued and appreciated.

Treasurer's Report

The Treasurer's Report is presented at the Executive meeting and questions and comments are always welcome. If you wish to receive a copy of the full report, please attend this meeting.

PRESIDENT'S MESSAGE

At our next General Meeting, the members of this association will have the opportunity to exercise their democratic rights and elect a new executive body to represent our club.

I realize that some of you joined this club for the sole purpose of having a place to drop a line, and enjoy the quiet serenity of the lake and grounds. This sounds nice, but this kind of thinking could become a trend and then very few people would get involved.

Our association needs good people to run the club and more good people to help them.

If you are not interested in running for an elected position, please do not pass on the annual Election night. At the very least come out and support the people that are willing to do the job and cast a vote, or maybe sign up for one of the many committees that we have, they all need help.

"Elections belong to the people. It's their decision. If they decide to turn their back on the fire and burn their behinds, then they will just have to sit on their blisters." *Abraham Lincoln*

Yours in Conservation,
Stan Gibbs

INCREASE IN MEMBERSHIP DUES

After many years of no changes to membership fees, the Executive has decided that a nominal increase in membership dues is warranted. An increase of \$ 10.00 will come into effect for all membership types that come due as of March 1, 2016 (even if you pay your dues in February).

The new rates are:

Family Membership	\$ 145.00
Single Membership	\$ 125.00
Senior Membership	\$ 120.00
Boat Rack	\$ 35.00

There will not be any changes in membership dues for Youth or for a Sponsored Child.

WELFARE

Many club members, who aren't able to attend the club for meetings or fishing, might welcome a quick call to say "Hello and what have you been up to?" If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Tom and Shirley McGill who will gladly make contact on behalf of the club.

Our heartfelt condolences at this difficult time goes out to the DeVincenzo family after the passing of Pat's father.

DANGER – THIN ICE !!

Due to the unseasonably warm winter, the ice is unsafe to venture out on. Any ice fishing should be done from the docks.
