## PRESIDENT'S MESSAGE

Volunteerism.

I know that I have written about volunteerism many times in the past, but I thought these people need a special pat on the back. In recent months, a few members of our Club took some initiative and brought forward some ideas for some new functions, acted on them and seen them through with great success.

Alex Duffitt and Andre Koch has been a pair of busy boys. I am not 100 percent sure whose idea was whose, but both men were instrumental in the two Meat Shoots we have had this year. They also tried to organize a dart league, which unfortunately was put on the back burner for now. Recently they hosted a Euchre Night at the club. They also seem to be available for anything that needs attending or doing at the Club. It is refreshing so see members take an idea and go with it.

I would like to thank Ron Dennis for his personal commitment to our Ponds Committee. Ron has helped me tremendously in all aspects of fish stocking. He has done daily reads of the water temperature to ensure that the fish were put in at the right time, and he has been instrumental in finding alternative fish suppliers so that we might enjoy a few larger fish and a very special fish that was recognized at the Trout Derby. Ron has done this and so much more just because he enjoys the Club and wants all to do the same. Ron is a humble man and doesn't like a lot of fuss over something he sees as part of being a member, and I am sorry if I am embarrassing you Ron, but I felt your efforts needed recognition.

Last but not least I would like to give praise to everyone involved on our first Halloween party for the children of our club. Unfortunately I was unable to attend, but the hall set up was tremendous and the activities planned sounded like a lot of fun. I am not sure whose original ideas it was for the party, but it was a good one that should carry on for many years to come. Many thanks to everyone.

All of these events were the result of some great ideas that were brought to light at one of our meetings.

Yours in conservation  
Stan Gibbs

Our condolences are sent to the family and friends of one of our members, Jack Gerard, who passed away on October 31 after lengthy illness.

If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Tom and Shirley McGill who will gladly make contact on behalf of the club.

MEMBERSHIP RENEWALS

You may obtain your valid membership sticker when you pay your membership renewal at any meeting or through special arrangements with Stan Gibbs only. **Reminder, do not mail your payment or leave cash / cheque with Russell and Sheena, the Club's caretakers.**

I would like to thank all the members that contributed the extra money to purchase the larger fish this fall.

I received a total of \$ 350.00 from several members, which enabled us to purchase 150 pounds of 1½ to 2½ pounds fish. (That was the largest available size at this time).

We paid \$ 2.00 per pound with a delivery charge of \$ 50.00 and we received a couple of "scoops" extra at no charge.

So again, thank you to all of you who contributed ... every little bit helps.

Ron Dennis

**WREATH BRIGADE**  
**Mon. Nov. 8**  
**7:00 pm**  
**Club office in basement**

Hermann Szielasko has planned the first orientation meeting of the wreath-making brigade. At this time, not only will the plans be started for the wreath making, but also, Alex Martin has agreed to come in to show everyone techniques on blow painting cones for making wreaths.

Hermann Szielasko wants to teach others to make Xmas wreaths and swags, which will be sold during the Xmas Tree sales. Hermann is hoping to sell 200 wreaths.

If you are interested in learning how to make real wreaths or you have a donation of ribbon and bows, please come to the meeting on Nov. 8 or contact Hermann at 519-681-6507.

This is a great way to meet other members, to learn new techniques and contribute to such a worthwhile venture. Kudos to Hermann Szielasko for using his ingenuity and talent for the betterment of the club.

## KIDS HALLOWEEN PARTY

The first Halloween party for our younger WOFGPA members (and their parents) was held on the afternoon of Oct. 30th. In total, 22 children came dressed to “party”. The costumes ranged from goblins to clowns to Tinkerbell and Peter Pan. It was great to see the number of parents that got into the spirit and came dressed as well.

The hall was decorated and scary sounds could be heard throughout the hall. Of course, the children played “bobbing for apples” and “Make your own Mummies”. Each child managed to squeeze in the time to paint their own pumpkin, which they took home. One boy decided that his pumpkin looked much better black than orange.

A huge thanks to Alex Duffitt, Roseanne Parent, Justine Duffitt, Tina Squire, Travis Eveland and Teresa Couture (all in costumes) for making the party so enjoyable for the children and their escorts.

Judith and Brian Ernteman generously donated many of the Halloween decorations to the club and for this, we owe much appreciation.

Here are just a few photos from the afternoon’s festivities.

Welcome to the party – Come on in

Mummy making takes lot of practice

Becoming a mummy is tough work

A lot of mummies at WOFGPA

Even more mummies

**Such an effort went in to painting their pumpkin just right**

**Halloween is truly a family affair**

**And just think**

**... only a year until we get to do it all over again!**
