Our Conservation Pledge

I give my pledge as a Canadian to save and faithfully defend from waste the natural resources of my country, its soils and minerals, its waters, forests, air and wildlife, and to obey all Fish & Game laws.

Our Purpose

- To promote true sportsmanship by the protection, breeding, propagation and conservation of fish and game.
- To obey the Fish and Game Laws of Ontario.
- To promote reforestation and conservation.
- To maintain a club and pond for the accommodation and enjoyment of the members and friends.

Meetings

General meetings are held on the second Thursday of each month at 7:30pm, except for the months of July and August. The Executive meetings are held on the fourth Thursday of each month. Remember that you, as a member, are welcome to attend all club meetings. Your input is highly valued and appreciated.

Treasurer's Report

The Treasurer's Report is presented at the Executive meeting and questions and comments are always welcome. If you wish to receive a copy of the full report, please attend this meeting.

Cigarette smoking is not permitted within 5 metres of all club entrances. Smokers are asked to use the containers provided for cigarette butt disposal. Cannabis use and vaping is not permitted anywhere on club property.

PRESIDENT'S MESSAGE

With the arrival of September, we must concede that our summer is quickly coming to an end. So now is the time to start planning some of our fall and winter activities.

The first one being our Fall Trout Derby in October, which I hope to run. We will probably be holding this as an outdoor event weather permitting. Keep an eye on your emails for final decisions.

The next important event is our Christmas Tree lot and Wreath Brigade. We are looking for donations of non-glass ornaments and volunteers to help make and decorate our workshop items. We are also looking for empty pots to put our Birch displays in. If you have any pots 10 inches or larger, we could use them. Lastly if you know where we might harvest some Birch branches around 1.5 inches thick, I would gladly go out and collect them.

The September Euchre night has been cancelled but the October Euchre should go ahead as planned.

Yours in Conservation
Stan Gibbs

WELFARE

Many club members who aren't able to attend the club for meetings or fishing might welcome a quick call to say "Hello and what have you been up to?" If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Teresa Couture who will gladly make contact on behalf of the club.

Our heartfelt condolences to Shirley Maudsley and her family after George's passing on July 8th.

ONTARIO HUNTER EDUCATION & BOW-HUNTING COURSES

Emad Hazboun teaches these courses for a very reasonable cost. He offers a discount if you are a WOFGPA club member.

For more information and the starting date of the next course, please contact Emad by phone at 519-317-4132 or by e-mail at emadhaz@heafs.com or visit his website www.heafs.com

GOOD OF THE ASSOCIATION

For each General Meeting that you attend, you will receive a ballot for the free one-year membership draw. The draw is done each March during the Elections.

A monthly meeting draw is done following the General Meeting on the 2nd Thursday of the month.

The club website is www.wofgpa.org

MEMBERSHIP RENEWALS AND CHANGE OF CONTACT INFORMATION

You must attend either the General or Executive meeting to pay your dues. These dates are the 2nd and 4th Thursday of each month at 7:00 pm, before the meeting starts at 7:30 pm.

The new membership rates (effective April 1, 2021) are:

Family	\$ 160.00
Single	\$ 140.00
Senior	\$ 135.00

There seems to be confusion as to the grace period permitted to pay dues. Hopefully this will clarify things for everyone. If your renewal date on your notice is September 1, 2021, then your membership ran from September 1, 2020 through August 31, 2021. Your membership will lapse at the end of September, which is the one-month grace period permitted. At the end of the grace period, you are no longer a member in good standing and your name will be removed from the membership list. If you choose to rejoin the club, your name will be added to the waiting list which is currently has an estimated 4 year wait time.

It is very important that you send any and all changes in mailing address, email or phone number(s) to Val Grahl (Membership Committee). This can be done by telephone or contacting her through the club website. WOFGPA will not be responsible if your membership lapses due to incorrect contact information on our files.

All membership renewal notices are sent electronically. Only members without an email on file will receive a mailed notice. Please bring your notice with you when paying your membership dues.

The club will accept cheques, debit and credit card payments but not e-transfers on a scheduled meeting night starting at 7:00 pm.

Mailed payments and late payments will not be accepted and will be returned to you. The caretakers, Ray and Barb will not accept membership renewals.

CANCELLED EVENTS

The province is implementing a plan for opening up again and our return to normalcy. Be informed of these updates by checking the news, the Ontario government and the Middlesex London Health Unit websites.

We are anticipating that all club event functions will resume although there may be modifications to the way each operates. Some of these changes might include: preregistration, different table set up to ensure 2 metre physical distancing, food and refreshment preparation and event size limits. Some events will not be held. The newsletter, club website, bulletin boards are the main sources of updated information. On occasion, Stan Gibbs **will** send an email to the membership. When in doubt, any of the Executive can assist you.

EUCHRE

The September Euchre night has been cancelled but it is our hope that the October Euchre will go ahead as planned.

DATE: Saturday, October 23rd
TIME: Doors open at 6:00 pm with the games starting at 7:00
COST: \$ 5.00 per player

Progressive euchre is a fun filled evening with good company, good cards and a lot of laughter.

The games are open to both members and the public. You do not need to have a partner or a foursome to play. There snacks served and door prizes at the end of the evening. A donation of a door prize is always welcome.

If you are interested in hosting a Euchre night on the fourth Saturday of the month and would like more details, please speak with Teresa Couture. She is available by phone and at Euchre night. When you host an evening, one of the Executive will be present. Hosts are needed to host evenings throughout the season.

FALL TROUT DERBY Sat., Oct. 16

Members are not allowed to fish the pond in the morning prior to the start of the derby. Once the derby has ended, everyone is invited to fish and all regular catch limits for your membership type will apply.

Mark your calendar so you don't miss out on the first Fall Trout Derby since 2019. This derby will be held outside to accommodate physical distancing.

Registration: 7:30 am (NO EARLIER PLEASE)
Derby Times: 8:00 am until Noon
Cost: Members - \$ 15.00
Non-Members - \$ 18.00
Youth (12 & under) - \$ 5.00

The rules are really quite simple.

1. The longest total length of 3 Trout caught will determine the 1st, 2nd and 3rd place awards in each division. Of course, there will also be the Mystery Fish.
2. Registration includes a hot lunch with refreshments. Your name will also be entered to win one of the many door prizes.
3. During the derby, only registered anglers in the derby will be allowed to fish. Trout caught during the derby will count only for the derby.

Only 4 anglers are permitted on each dock to ensure 2 metre physical distancing.

Stocking will be done when water temperature drops.

MERCHANDISE

Black mask with embroidered "fish" logo. Cost is \$ 13.00 each or 2 for \$ 25.00. This item is in limited supply.

The club has pens, lanyards, T-shirts, hoodies, sweatshirts, toques, patch crests and key chains available in stock. Custom orders can be placed at any time. Current selection includes larger sized hoodies and T-shirts (sizes up to 3XL).

Lined jackets with an embroidered club crest and your name are available as custom orders only.

Andre Koch can be reached at home by phone. Any of the Executive body can assist you at any time.

FISHING ETIQUETTE

Currently, the Executive have determined only 4 anglers are permitted on each dock to maintain 2 metre physical distancing.

Please do not crowd other anglers. Moving a few feet closer will not entice the fish to bite on your line instead of your neighbour's. Junior anglers find it quite intimidating to be crowded. Remember some anglers tend to need a larger area to cast. Fly-fishers are asked to cast in suitable areas and way from other anglers.

The north and the main dock have benches installed for members use. At no time are chairs brought from home or tree stumps to be used on the docks.

Each angler may use only one rod at a time. Culling your catch and the use of live bait is not permitted.

If you are fishing on the north dock, be aware that members with boats and canoes have the right-of-way. Please stop fishing or fish elsewhere while they are taking their boat in or out of the water. All anglers in watercraft must wear properly sized PFDs.

All fish can be cleaned at the steel cleaning table by the north dock. We ask that any fish wastes be tossed into the bushes where it will be considered as the "daily delicacy" by resident wildlife. Please rinse the table thoroughly with water when you are done cleaning your catch. The water at the cleaning station is pond water and should not be used for drinking as it is not potable. When done cleaning your catch, use hand sanitizer or wash your hands thoroughly in the washroom.

Observe your daily Trout catch limits as determined by your membership type. Once your daily limit is reached, you must stop angling for the day. Record your catch in the Log book located in the small vestibule on the east side patio area. This book will also give you an idea of what bait that trout currently find attractive in an effort to increase your chances of getting a big one to take home.

If you choose to take Black Crappie home, you are permitted to take only enough to for one meal.

HALL RENTALS

Did you know that the WOFGPA hall can be rented for your next “special” occasion for a very reasonable price? Hall rentals cover use of the hall and brick patio area but not the grounds and docks.

At this time, gathering limitations have been imposed by the Ontario government and these limits will be adhered to by WOFGPA. The hall has a maximum seating capacity of 80 persons (pre-pandemic), which makes it just the right size for a small reception, showers, meetings, Anniversary parties, Christmas parties and birthdays. The hall is available to members or their families to get together after the passing of a loved one for a “Celebration of Life”.

The hall offers full kitchen facilities, except dishwasher. Professional bar service is offered in the wet bar. Members receive a discount on rentals which occur on Friday or Saturday evening only.

Please contact the club caretaker, Barb at 519-681-2370 to get the low rental rates and availability of the hall.

The club hall is not available for Engagement and Stag and Doe parties or outdoor weddings and photoshoots.

PARKING LOT ETIQUETTE

The grounds committee try hard to keep the parking lot clean and without potholes or ruts. This being a gravel lot, the lot is very soft and potholes develop quickly and easily.

The first two parking spots next to the front entrance are for Accessible Parking only. If you need them, your vehicle must display a valid Handicap Parking permit.

One parking spot is dedicated for Caretaker parking and signage is in place.

If you need to use the Accessibility Lift to enter the building, please call Ray or Barb at the club at 519-681-2370 or arrange with one of the Executive in advance of your need, if possible. An Executive is present to assist at every meeting and function so no advance notice is necessary. A key is required to operate the lift.

The parking lot will be used almost every weekend (Friday through Sunday and possibly Mondays) through to mid-September for Safe Hunter Training Courses. You may want to consider using the 5 or 6 spaces in the back on course days.

If you are attending a course, park first on the west side of the lot, as tight as possible and always back in. You can also park on the east side, once the west side is full.

Large and long trucks should always try to park in the centre along each side and not block entrance access from Southdale Road or access to the back of the lot, next to the Accessibility Lift. At all times, access must be open for emergency services.

Please do not do hard turns or spin your vehicle wheels.

The driveway and parking lot speed limit is 10 km/hr.

The property is secured by cameras and we can recover the video of any issues that we feel needs to be addressed.

UPCOMING EVENTS

Please remember that General Meetings are not held in July and August. If you have to pay your membership dues during the summer months, make sure that you attend the club at 7:00 pm on the dates provided to you by the Membership Committee.

The Executive is anticipating that our regularly scheduled functions and events will resume starting in September. The Ontario government should release the details of changes as the province proceeds with their re-opening plan. The Executive and Committee Chairs will then finalize event details and it will be posted in the club newsletter, on bulletin boards and the club website.

If you wish to join the Executive Body, you must have served on a committee, so get involved. Please contact the Committee Chair to get more information or to join a committee at any time.
