PRESIDENT'S MESSAGE

Events, February/March

Good day members,

With the holiday season behind us, it is time to get ready for another busy time around our club. In February, we have three events that might interest you in coming out and enjoy our great Canadian winters. On February 14th we will be hosting our Annual Tackle Swap from 9am till 1pm. This is a great opportunity to pick up some great deals on fishing used and new fishing equipment, and other items for outdoor enjoyment.

On the 15th we will be welcoming hockey players from the George Bray Sports Association to participate in a mini hockey day on the ice. We will be serving a lunch for these folks, so if you are free come out and watch or help with the event.

On February the 16th we will be hosting our Annual Family Day Ice Fishing Derby. This event is open to all; there will be lunch and prizes after the derby ends at noon. This is all in thanks to our great sponsors, and volunteers at your club.

In March, our yearly Elections will be held at the General Meeting. This is a perfect time for you as members to come out and participate and maybe get involved with your club.

Hope to see you soon!

Yours in Conservation
Stan Gibbs

WELFARE

If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Teresa Couture who will gladly make contact on behalf of the club.

Our best wishes for healthier days are with Valerie Grah and Ron Dennis as they recuperate at home following surgery.

MEMBERSHIP RENEWALS AND CHANGE OF CONTACT INFORMATION

There seems to be confusion as to the grace period permitted to pay dues.

If your renewal date on your renewal notice is February 1, 2026, then your membership period ran from February 1, 2025 through January 31, 2026. Your membership will lapse on February 28, 2026, which is the one-month grace period permitted. At the end of the grace period, your name will be removed from the membership list. If you choose to rejoin the club, your name will be added to the waiting list.

The new membership rates (effective July 1, 2023) are:

Family	\$ 170.00
Single	\$ 150.00
Senior	\$ 145.00
Boat Rack	\$ 60.00

**** There is a rate increase of \$ 5.00 effective as of April 1, 2026.**

If you need special consideration regarding payment of dues, contact Val Grahil before your membership lapses. If you must pay dues, please attend prior to the General or Executive meeting each month, held on the 2nd and 4th Thursday of the month. WOFGPA will not be responsible if your membership lapses due to incorrect contact information on our files. The club will accept cheques, debit, and credit card payments but not e-transfers. Mailed payments and late payments will not be accepted and will be returned to you. The caretakers, Ray and Barb will not accept membership renewals.

GROUNDSCOMMITTEE

Lou Liberatore is heading the Grounds Committee. He is asking that those interested in helping with the grounds come each Wednesday morning at 9:00 am. The project will be announced each week. Many hands make light work.

DANGER – THIN ICE

The temperatures have dropped and ice has formed on the pond. Please stay on the docks to fish until the ice has completely formed and is at least 10 cm. (or 4 inches) thick.

A windmill has been installed to aerate the water. There are buoys marking the location of the aeration stones. These two areas may stay as open water or will have a thin ice covering. Please keep well away from these areas, as they will never be deemed safe to support any weight, including your pet's weight.

Do not let your pet run loose on the property, including the ice. It is the club policy that all dogs be leashed at all times and in control of their owners.

A minimum of four inches (10 cm.) of CLEAR ICE is necessary to support the weight of one person. If you are fishing with a partner or a group, additional ice thickness is required.

The ice conditions will be posted and monitored regularly. Please stay off any unsafe ice and remember that ice conditions vary from day to day.

Obey the thin ice signs and exercise caution at all times on pond ice. When in doubt, stay off the ice.

Always use the "Buddy" system and never venture out alone.

Mark your fishing holes with a flag or small branch – for safety and consideration of others.

Ice derbies will be held throughout the winter months and often on very short notice. If you want telephone notification of scheduled derbies, please leave your name and number with Stan Gibbs. The derby dates will be posted on the website and the Bulletin Boards at the club.

HALL RENTALS

Did you know that the WOFGPA hall can be rented for your next "special" occasion for a very reasonable price?

The hall has a maximum seating capacity of 80 persons, which makes it just the right size for a small wedding reception, bridal and baby showers, your next meeting, anniversary party, family reunions and get-togethers, Christmas party and birthdays. Professional bar service is offered in the wet bar.

The club hall is not available for Stag and Doe parties, engagement parties or outdoor wedding photoshoots.

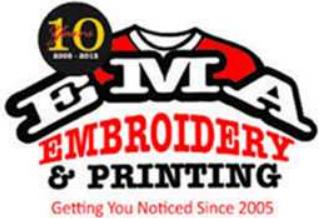

Please contact Barb Smith to discuss hall availability and rates. The hall is available to members or their families to get together after the passing of a loved one. In certain circumstances, a special reduced rate may apply. Members get discounted rates on Friday and Saturday evening rentals and not on hourly rate rentals.
